

Experience the Thrill of Tandem Paragliding with Cloudbase Kenya!

About your Tandem Incentive Experience

Take to the skies above the stunning Rift Valley with **Cloudbase Kenya** for an unforgettable flying adventure! Whether you're a curious first-timer or a full-on adrenaline junkie, our friendly expert tandem pilots have you covered—**all you need to do is sit back, relax, and let the wind carry you over jaw-dropping landscapes**. It's safe, thrilling, and seriously fun—you've never seen Kenya like this!

What is Tandem Paragliding?

Tandem paragliding is a type of paragliding where **two people fly together using a specially designed paraglider**: one is the **pilot**, and the other is the **passenger**. It's the most common way for beginners or tourists to experience paragliding without needing any prior training or experience.

www.cloudbasekenya.org

Key Points:

- **Pilot-controlled:** A certified pilot manages the safe takeoff, flight, and landing.
- **Passenger's role:** The passenger simply enjoys the view and experience, with minimal physical effort.
- **Separate harnesses:** Both the pilot and passenger wear harnesses that are attached to the same glider.

Where and for how long do I fly?

We fly tandems mostly at Kijabe Hill, opposite Mt Longonot, 10 minutes from Ubuntu, 1.5h north of Nairobi.

The flights will take 15-20min (which will feel like an hour of enjoyment)

What to wear/bring?

- Good mood
- Light wind jacket
- Ankle high hiking shoes
- Waterbottle
- Sun hat/Cap
- Gopro camera will be provided, but you're welcome to take photos with your phone—just secure it with a small string!
