

## Safety Statement

**This is not a disclaimer but an acknowledgement of the risks associated with paragliding aviation and its training.**

---

### Assumption of Risk

I acknowledge that paragliding is an inherently hazardous activity that involves serious risks. I understand that no amount of care, training, instruction, or professional supervision can completely eliminate the possibility of accidents, injury, or death.

---

### Voluntary Participation

My participation is entirely voluntary. I knowingly and willingly accept full personal responsibility for any and all outcomes that may occur during the activity, including bodily injury or loss of life.

---

### Waiver of Liability

I understand and agree that Cloudbase Kenya shall not be held responsible or liable for any injury, damage, loss, or death arising from or connected to my participation in paragliding activities.

---

### Physical and Mental Fitness

I confirm that I am in good physical and mental condition and acknowledge that this is a necessary requirement for safe participation in paragliding activities.

---

### Declaration of Sobriety

I also confirm that you are aware of the Air Navigation Order 2016, part 10,242 (2) that prevents anyone from operating an aircraft whilst under the influence of drink or drugs and that paragliders are classed as aircraft. The responsibility to adhere to this order lies with the pilot.

### **Informed Consent**

I acknowledge that I have been given sufficient time to read this agreement, to fully understand its contents, and to ask any questions I may have. I confirm that this agreement was provided to me in advance of participation.

---

### **Age Confirmation**

I confirm that I am at least eighteen (18) years of age.

If the participant is a minor, I confirm that I am their parent or legal guardian and that I give my full consent for their participation.

---

### **Instruction and Responsibility in Flight**

Cloudbase Kenya provides general guidance and logistical support only. If I am flying as a licensed pilot, I understand that I am solely responsible for all decisions made in flight and accept all risks associated with those decisions.

All transportation is arranged through independent local service providers. Any incidents, risks, or accidents occurring during transport are the responsibility of those providers and their insurers. Cloudbase Kenya accepts no liability for transportation-related matters.

---

### **Equipment Condition and Airworthiness**

I confirm that my paraglider wing and reserve parachute have either been professionally inspected within the past two (2) years or are less than five (5) years old. I understand that this requirement is intended to ensure the safety and airworthiness of my equipment.
